Message from the Commissioners

Dear Inspector:

Peter
Quinn

Thomas
Ferrarese

Being an inspector is not what it was in the past. There were very few changes from year to year in the election process. You could go to training once every three years and still stay on top of the job. This is not the case any longer. What we did in 2004, 2005 or even last year is different this year. That is why you are trained every year now and get new updated inspector manuals.

Some things haven't changed, as part of the Board of Elections organization you need all the tools we can give you to serve the voters. We are grateful to have you as an inspector.

Each year we face new challenges.

Each year is very busy in its' own right. The Primary Election will be on Tuesday, September 18th and the polls will be open from noon to 9:00 PM. Inspectors need to be at their assigned sites no later than 11:30 AM to prepare for the day. The General Election will be on Tuesday, November 6th and the polls will be open from 6:00AM to 9:00 PM. Inspectors must be at their assigned sites by 5:30 AM to prepare for the day. We hesitate to mention that not long after this years General Election we are already starting to get ready for the February 5, 2008 Presidential Primary. Next year will be one of our busiest years and one where we are likely to see more changes.

Remember we are here to support you and you are representing the Commissioners at the polling site. Since the Commissioners have the final say about all activity at the polling site your loyalty to the Board of Elections will ensure the success of fair and honest elections. We are confident that your training will prepare you to be an effective and accurate Election Inspector who will represent us proudly.

Sincerely,

Peter Quinn
Republican Commissioner

Thomas Ferrarese
Democratic Commissioner

Inspector Appointment (Election Law §3-400 to §3-420)

The parties that achieve the highest and second highest votes for governor are responsible for assigning inspectors. Inspectors are chosen from enrolled Democrats and Republicans first, but voters registered in other parties may be assigned in an emergency. Lists of inspectors are recommended by local party committees or the County Committee to the Board of Elections by May 1. Usually, this list is the previous election's working (active) inspectors. On July 15, after reviewing the party recommendations, the Elections Commissioners select and appoint a list of inspectors; thereafter, changes may be made to this list.

Coordinators & Inspector Scheduling

Coordinators are responsible for:

- ★ Scheduling Inspectors
- ★ Ensuring Inspectors attend required training classes
- ★ Recruiting Inspectors
- ★ Being involved in supply delivery and return
- ★ Visiting each election district on election day.

Coordinators are looking to schedule inspectors who are knowledgeable, trained, friendly, courteous and can work the entire election day. Inspectors need to maintain a good rapport with their coordinators.

Coordinators are qualified inspectors who receive special training and who know Election Law.

A Coordinator schedules inspectors in an Election District (ED). Normally, four inspectors, two Republicans and two Democrats, are scheduled for each ED.

Scheduling Notes:

- ★ Inspectors must heed the advice of Coordinators of EITHER party.
- ★ Inspectors may be scheduled to work in any election district.
- ★ Inspectors may be scheduled in a different election district than where they vote.
- ★ Inspectors should contact their coordinator if they have any scheduling questions.
- ★ Inspectors must call their coordinator immediately if they are scheduled and unable to work.

Minimum Qualifications for Election Inspectors

- Be a registered voter.
- Be a resident of the County in which he or she serves.
- Attend an annual training session.
- Pass an examination at the end of any training session attended.
- Speak and read the English language and write legibly.
- Not hold any public office or be a candidate for public office or party position to be voted on by the voters of the district in which the inspector would be working or be the spouse, parent or child of a candidate running for office in the district in which the inspector would work.

RESPONSIBILITIES OF AN ELECTION INSPECTOR

1. Open and close the voting machine.
2. Organize the physical layout of the polling site.
Inspectors must be able to clearly see who enters and exits the voting machine
3. Organize election day supplies.
Inspectors should have their *Street Guide*, *Poll Book*, *Flip Chart* and *Challenge Report* available.
4. Rotate tasks and share the work. Inspector must know how to do all of these tasks and be willing to change from one to another throughout the day.
Common tasks are overseeing the *poll book*, being in charge of the *street guide*, monitoring the *voting machine*, composing a *supplementary list*, overseeing the completion of *affidavit ballot envelopes*.
5. Process qualified voters.
6. Complete all necessary paperwork including the Canvass and Tally Sheets.
7. Maintain order at the polling site.
8. Serve in ONLY the Election District assigned by the Coordinator.
9. Arrive on time at your polling site on Election Day.
10. Choose a Chairperson (*One of four (4) Inspectors serves as Chairperson*).

RESPONSIBILITIES OF THE CHAIRPERSON

1. Oversee the day.
2. Make sure that one Democratic and one Republican Inspector are present at all times (Remember: 2 Democrats and 2 Republicans are assigned per election district).
3. Schedule inspector meal breaks and time for voting.
4. Make sure that all forms are filled out properly. Make sure that inspectors are signing the appropriate documents. Ensure that all affidavit and emergency envelopes are signed.
5. To oversee the return of the **orange dotted bag** to the Town Clerk in the Towns or a Board of Elections Supply Return Location in the City.
6. Keep the Coordinator and Board of Elections informed about any concerns.

How do we choose a Chairperson?

Per Election Law 3-400(4): “Before entering on their duties, the election inspectors of each election district outside of New York shall appoint one of their number chairman, to serve as such during his term of office. If a majority shall not agree upon such appointment, they shall draw lots for that position.”

Street Guide

- Use the Street Guide to confirm that a voter lives in the election district.
 - Procedure for using the Street Guide:
 1. Find the voter's street.
 2. Determine if the house number is odd (O) or even (E).
 3. Within the odd or even ranges, make sure the voter's house number is greater than the starting number and less than the ending number.
 4. If the voter's house number is within the range, send them on to the Poll Book for sign-in.
 5. If the voter's house is NOT within range, see the section in this manual called "VOTER DOES NOT LIVE IN THE DISTRICT."

The Poll Book

- Poll Books are printed according to Town and reporting election district (ED) in the Towns or Legislative District (LD) and ED in the City.
- The Poll Book is arranged alphabetically by the Voter's *Last Name* and then *First Name*.
- Use the *indexing* at the bottom right of the Poll Book to help quickly locate a voter's name.

Poll Book Procedures

- ◆ A voter may NEVER sign for someone else.
- ◆ Make sure the voter signs next to their own name.
- ◆ Power of Attorney and pre-printed stamps may not be used.
- ◆ Never make stray marks in the Poll Book
- ◆ Never add voters into the Poll Book or write on the back of any page.
- ◆ Note **deceased** voters in the poll book. Only information given from a relative may be noted. Note the relationship (mother, father, brother, sister, etc.) of the person telling you about the voter.
- ◆ Note voters who have **moved** in the poll book. Only information given from a relative may be noted. Note the relationship (mother, father, brother, sister, etc.) of the person telling you about the voter. If the person moved within Monroe County, note the full residence address to which they moved. If the person moved out of county or state, note that.
- ◆ Note any corrections to the **birth date**.
- ◆ Note **spelling corrections** in the Poll Book.
- ◆ Always double-check the spelling of a voter's name. Turn a few pages forward or back.

CHECK-IN PROCEDURE

- 1) Check to see if the voter's address is within the range of house numbers in the Street Guide.
- 2) Locate the voter's name in the poll book.
- 3) Check to see if "ID REQUIRED" is shown on the voters record *under the area listing the voters's name, address and date of birth.*
- 4) Remember: Only ask for ID if "ID Required" appears near the voter's name in the poll book.
- 5) If identification is required, ask the voter for a current, official document that shows their NAME and PHOTO or an official document that shows their NAME and ADDRESS.
- 6) If they show the identification, allow the voter to vote on the machine. Put a line through "~~ID REQUIRED.~~"
- 7) If they are unable to show identification, the voter must vote on an AFFIDAVIT BALLOT.
- 8) Cover the voter's previous signature with the signature cover slip; this is an important ANTI-FRAUD PROCEDURE. Have the voter sign next to it.
- 9) Compare the signatures. Remember: a voter's signature may change through the years.
- 10) The Inspector must fill-in voter's public counter number and the Inspectors initials.
- 11) Once a voter has exited the machine they may NOT re-enter the voting machine for any reason.

Assist first time voters or voters not familiar with operating voting machine by demonstrating the sample voting machine and pointing out the sample ballot.

NAME CHANGES

- 1) If a Voter has changed his or her name since they last voted or registered they can still vote without re-registering, if they have not moved. Have the voter sign his or her name as it appears in the poll book and just above it, sign and *also print* their new name.
- 2) Record the information in Section I of the **Challenge Report**.

Check-In Procedure for Primary Election

Remember: Only voters registered in a party experiencing a primary may vote in that party's primary.

- 1) For Primary Elections you will have a separate poll book for each political party having a Primary Election. Each party will have a different colored book.
- 2) Each Book will contain consolidated districts (the voters in several election districts may be in one book and vote on one machine).
- 3) Ask the voter what party they are registered in. Go to the poll book corresponding to that party. Follow check-in procedures.
- 4) After the voter signs the poll book, issue them a VOTER PARTY I.D. SLIP. Each slip will be the same color as the poll book.
- 5) The voter then hands it to the Inspector at the side of the voting Machine who sets the Primary Lever to the correct party. The lever should be set at the same color as the ID slip.
- 6) Setting the lever to the voter's party will prevent them from voting in any other party.

Check-In Procedure for Primary Election (Continued)

If the Primary Lever Has Been Set Incorrectly

- ★ If a voter **has not** entered the voting machine and the Inspector has incorrectly set the Primary Lever and depressed the entrance button, they may simply pull out the entrance button, set the primary lever correctly and depress the entrance button again.
- ★ If the voter **has** entered the voting machine and closed the curtains and the Inspectors discover an error in setting the primary lever, they can correct this error in the following manner.

Two Inspectors, one of each Party, enter the voting machine and do the following:

- (1) If any Voting Pointers are down, push the Voting Pointers back in the non-voting position. This will then assure that no votes will be cast that shouldn't be.
- (2) As you are facing the machine put your right hand on the red voting lever. At the same time place you left hand on the emergency "release lever" located below the fistcards that have the various Party names indicated on them.
- (3) Pull and hold the "release lever" while moving the red handle to the left to open the curtain.

This procedure will add one number on the Public Counter. The inspectors must indicate the public counter that was voided and the public counter that was added. This note must be attached to the Canvass Sheet and signed by all Inspectors.

Inspectors may reset the Primary Lever to the proper party setting and allow the voter to re-enter the machine and cast their vote.

VOTER DOES NOT LIVE IN THE DISTRICT

Sometimes, a voter may attempt to check in, but the inspectors can not find their house number and street in the Street Guide. If that is the case:

- ❖ Ask the voter if they have their Board of Elections “verification” letter (they should have received the letter in August) with their current address. The letter will show what district the voter should report to.
- ❖ Check to see if the voter is in another district at your polling site. Some polling sites have more than one district report to them.
- ❖ Check the district map included with your supplies that should be hanging on the wall. Find the street the voter lives on, identify the Election District, and match the election district to the polling site in the printed listing stapled to the district map.
- ❖ If you are still unsure, don’t guess. Call the Board of Elections: 753-1550

1. Check the street guide to verify the address is within the district.
2. Have the voter sign the poll book at the old address and vote on the voting machine.
3. Add the voters name and new address to the last (orange) page of your poll book.

NOTICE TO VOTERS

If a person’s current address is in your district, but his or her poll record is not in the book, he or she may vote by **Affidavit Ballot** or **Court Order**. Give the person “Notice to Voters” form which explains each option.

NOTICE TO VOTERS

NOTICE TO PERSONS WHOSE POLL RECORD IS MISSING OR IN THE CASE OF A PRIMARY ELECTION THE POLL RECORD DOES NOT SHOW ENROLLMENT IN THE PARTY IN WHICH THE VOTER CLAIMS TO BE ENROLLED

If your poll record is missing from the poll book, or your poll record does not show that you are enrolled in the party in which you claim are enrolled, you may seek to vote by one of the following methods:

1. **AFFIDAVIT BALLOT** - If you are able to swear under oath that you live in the election district in which you are seeking to vote and that you are presently registered, (primary election - also enrolled in the appropriate party) the election inspectors will give you a paper ballot on which to cast your vote. You will then place the voted ballot in an affidavit ballot envelope that needs to be completed by you. The completed envelope will be returned, unopened, to the Board of Elections. If the board determines that you are qualified to vote, your ballot will be counted at the Board of Elections. The procedure used in canvassing your ballot ensures that the secrecy of your vote is maintained.
2. **COURT ORDER** - You may seek to obtain a court order directing the election inspectors to allow you to vote on the voting machine. Your Board of Elections or Party Headquarters will be able to tell you the procedure for obtaining a Court Order.

Part III: Check-In Procedures

AFFIDAVIT BALLOTS

Affidavit ballots should be used when:

1. A voter's name is not in the poll book and the voter claims to be a registered voter in the election district.
2. A person is already registered in Monroe County in another district but has recently moved into a different district.
3. A voter claims to be enrolled in a political party other than the party indicated on the poll record (only applies in a Primary Election).
4. A Voter is unable to provide identification when such identification is required (ID REQUIRED in the poll book) and asked for.

AFFIDAVIT BALLOT PROCEDURE

1. If a voter resides in the election district, the voter may vote on an Affidavit Ballot.
2. Provide the voter with a paper ballot. Instructions are on the ballot.
3. Instruct the voter to privately vote on the ballot, and seal it in the affidavit envelope.
4. The voter must date, sign and completely fill out the affidavit envelope and the attached registration form (a picture of the envelope appears on the next page).
5. An inspector must date, sign, completely fill out the affidavit envelope, and seal the envelope properly.
6. Enter the voter's name and address in Section IV of the **Challenge Report**.
7. The inspector places the SEALED ballot envelope in the large "Affidavit Return" envelope for return to the Board of Elections.
8. Place the voter's name on the front of the large "Affidavit Return" envelope.
9. All voted affidavit envelopes are returned unopened to the Board of Elections where they will be counted electronically.

COURT ORDERS

If their name does not appear in the poll book and the voter wishes to vote on the voting machine, they must get a Court Order.

Court Order Procedure

- 1) Inspectors should present the voter with the “**Notice to Voters.**” On that form is listed the phone numbers for the Headquarters of both major parties. Each party maintains attorneys on election day to assist voters with the preparation of a Court Order.
- 2) A voter must fill out these papers, which are taken before Supreme Court Judge (one is normally available in the County Office Building, 39 West Main Street, next to the Board of Elections). The Judge will examine the papers and if all is in order, sign the papers allowing the voter to vote on the machine.
- 3) The voter must then take these papers back to their correct election district and present them to the inspectors.
- 4) The inspectors **MUST** then allow the voter to vote on the machine.
- 5) Inspectors must take the Court Order and put it in the Affidavit/Emergency return Envelope
- 6) Inspectors must note the voter’s name, address and public counter number on Section IV of the Challenge Report.
- 7) In a PRIMARY ELECTION, the court order must specify the party in which the person is allowed to vote.

Machine Breakdown

WRITE-IN VOTES

Voters might wish to vote for a candidate NOT on the lever portion of the machine. They may then opt to cast a write-in vote. If a voter wishes to cast a write-in, instruct him or her to:

- 1) Locate write-in slots (the slots are located above the ballot face).
- 2) Open the slot of the desired column by pushing cover upwards.
- 3) Write-in the candidates name for whatever office/column they choose.

Write-In Votes: Notes for Inspectors

- 1) Once the write-in column is opened, voting by lever is not possible in that column.
- 2) It is not necessary to close a write-in slot before leaving the voting booth; it will close automatically when the red lever is pulled back.

ABSENTEE BALLOT VOTERS

Sometimes a voter who has cast an Absentee Ballot prior to Election Day will arrive at their polling site on Election Day to vote in person. They must be allowed to vote on the voting machine.

If the poll record shows “Absentee Ballot” near the voters name:

- 1) Have the voter sign his or her name in the poll book following the regular procedure.
- 2) Allow the voter to vote on the voting machine.
- 3) Before the polls close it is important that you call the Board of Elections with the names of these voters, using the number provided in the flipchart in your supplies. The Board of Elections will pull these ballots, so they are not opened and counted.

All Absentee Ballots are counted electronically at the Board of Elections.

NOTE: Do not accept voted absentee ballots; they will not be counted. Voted absentee ballots must be mailed and postmarked the day before an election day or delivered in person, on election day, to the Board of Elections.

VOTER CHALLENGES

A Voter’s qualifications can be challenged at the polling site by an Inspector, a Poll Watcher or any registered voter who is properly voting at the site. Challenges can be made for several reasons:

1. The person's signature does not match.
2. The person is using the same name as someone who already voted.
3. The person is believed not to reside at his or her address.

As an Inspector you must challenge any voter who you know or suspect is not legally entitled to vote in your district. Consult the flipchart in your supplies for detailed instructions for challenging a voter.

Record voter challenges on **Section II** of the **Challenge Report**.

ASSISTING VOTERS

Try to Help
Before the
Voter
Enters the
Machine

Whenever possible, instruct a voter needing assistance, on how to use the machine before he or she enter the voting booth. Use the sample ballot to explain the location of the candidates' or any proposals on the ballot. This is especially important when the ballot is lengthy or when it contains amendments or propositions.

When a
voter can
be assisted

A voter may be assisted if they tell the inspector that they:

- ◆ Cannot read or write;
- ◆ Cannot see, even with eyeglasses, the names on the ballot;
- ◆ Is physically disabled such that he or she cannot operate the machine or complete a paper ballot;
- ◆ Cannot enter the machine without assistance from another person.

What to do if
a voter
requires
assistance:

Oath

The inspector will then administer an **oath** to the voter:

"Do you solemnly swear or affirm that the statements you just made are true?"

If the voter answers yes, then he or she may receive help from the inspectors OR bring a person of their choice into the voting machine to help so long as that *person is not his or her employer or union representative*.

Interpreter

A voter may choose to take the Spanish Interpreter into the voting machine **without** the inspectors accompanying the voter.

ASSISTANCE FROM INSPECTORS

1. Two (2) Inspectors, one Democrat and one Republican, may assist the Voter.
2. The Inspectors should:
 - ❖ Agree on all actions taken inside the voting booth.
 - ❖ ASK the voter how they can be of assistance.
 - ❖ READ the ballot to the voter, if necessary.
 - ❖ If necessary, HELP the voter pull the levers, or pull the levers **only** as instructed by the voter.
3. If inspectors happen to notice how a voter voted, tell no one. Keep the choice confidential.

OTHER PERSON REQUESTED BY VOTER

1. A person, other than an inspector, who assists the voter, **must take an oath** (Assisted Voters Oath) before entering the voting machine.
2. The person assisting must keep confidential the choices of the voter.

Oath for Person(s) Assisting Voter (Assisted Voter Oath)

I will not in any manner request, or seek to persuade or induce the voter to vote any particular ticket or for any particular candidate, and that I will not keep or make any memorandum or entry of anything occurring within the booth, and that I will not, directly or indirectly, reveal to any person the name of any candidate voted for by the voter, or which ticket they had voted, or anything occurring within the voting booth, except when required pursuant to law to give testimony as to such a manner in a judicial proceeding.

CHALLENGE REPORT

If a voter is assisted, and for every instance voters are assisted, even when assisted by the two inspectors, include the information in Section III of the Challenge Report: NAME of Voter, NAME of person assisting, and WHY assistance was given.

Guidelines for Interacting with People with Disabilities

➤ **Be yourself.**

Treat people with disabilities with the same respect and consideration that you have for everyone else. Treat the person as an individual and not as a disability. As in any new situation, everyone will feel more comfortable if you relax.

➤ **Meeting someone.** When you meet someone, extend your hand to shake if that is what you normally do. A person who cannot shake hands will let you know. If you are meeting a blind person, identify yourself. If you have met before, remind the person of the context; he or she won't have the visual cues to jog the memory.

➤ **Helping.** Do not automatically give assistance; ask first if the person wants help. Follow the person's cues and ask if you are not sure. And don't be offended if someone refuses your offer of assistance. It's their choice to be as independent as they can be.

➤ **Communication.** Talk directly to the person, not to an aide, friend or interpreter. Ask the person to repeat if you don't understand them. If the person uses a wheelchair, sit down and converse at the same level. Use Braille materials for the visually impaired. Speak slowly and clearly for someone that may be hearing impaired.

➤ **Socializing.** Do not leave persons with disabilities out of a conversation or activity because you feel uncomfortable or fear that they will feel uncomfortable. Include them as you would anyone else, let it be their decision whether or not to participate.

Service Animals

Service Animals are not pets. Service animals perform some of the functions and tasks that individuals with disabilities cannot perform for themselves. Here are some tips for assisting a voter who is using a service animal:

- Address the person, not the animal.
- Do not pet the animal.
- Do not whistle or direct other noises to the animal, as such noises may be distracting
- Avoid questions about the individual's disability or what the animal does for them.
- Do not automatically assume that a person with a service animal is blind.
- If there is a complaint about an animal being present, explain that federal and state laws protect the rights of individuals with disabilities to be accompanied by service animals.

Guidelines for Interacting with People with Disabilities (continued)

- **Touching.** Do not pat or touch a person with a disability unless there is a good reason (such as shaking hands in greeting or if the person has requested assistance). However, you may gently touch a deaf person to get his attention. Never push a person's wheelchair without their permission. Do not touch someone's cane, wheelchair or other device. It is a part of that person's mobility aids.
- **Environments.** Be sensitive about the setting. A noisy or dark environment or many people talking at the same time might make it difficult for people with vision, speech, or hearing impairments to participate fully in a conversation. Be aware of clear paths of travel for people who use wheelchairs or are blind. Describe goings-on and surroundings (especially obstacles) to a blind person. A person with chemical sensitivity may have a reaction to smoke, perfume, or other toxins in the environment.
- **Hidden Disabilities.** Not all disabilities are apparent. A person may have trouble following a conversation, may not respond when you call or wave, or may say or do something that seems inappropriate. The person may have a hidden disability, such as low vision, or mental illness. They may have difficulty standing in line. Inspectors should make available an extra chair, to be used by voters who have difficulty standing and who must wait their turn.
- **People who use Wheelchairs or Have Mobility Impairments.** People who use wheelchairs may have different disabilities and varying abilities. Some can use their arms and hands. Some can get out of their wheelchairs and even walk for short distances. Make sure that there is a clear path of travel. When talking to a wheelchair user, sit at their level. If that is not possible, stand slightly away from them, so that they aren't straining their neck to make eye contact with you. An individual with upper mobility impairment may require the assistance of the Inspectors to move the levers and/or close/open the curtain in the voting booth.
- **Language Tips: Put the Person First.** Be aware of how voter's feel and try to use terms that are not offensive. Treat people with disabilities with the same respect and consideration that you have for everyone else.

Working with a Translator:

There are a number of things you can do to work more effectively with someone who is translating:

- When asking questions or giving information, talk to the voter, not the interpreter.
- Speak clearly and slowly, not loudly.
- Avoid long and complex sentences.
- Pause after about 60 seconds or after each thought is complete.
- Watch to make sure that the Interpreter is keeping up with you.
- Try not to interrupt the interpreter unless necessary.
- Avoid excessive gestures or body language. They may not mean the same thing to the voter as they do to you.

Disability Etiquette

- Be considerate of the extra time it might take for a person with a disability to vote.
- Know the accessible entrance, restrooms, and other features in the building.
- Give attention to a voter who has difficulty speaking – don't rush them.
- Speak directly to the person who has a disability, not to a companion who has come to help.
- Speak calmly, slowly and directly to a person with a hearing problem.
- Provide simple and easy to follow instructions.
- Don't shout or speak in a person's ear.
- Be patient; listen carefully; do not finish sentences for the voter.
- If you are having trouble being understood, write a note to a person with a hearing problem.
- Greet a person who is visually impaired by letting them know who and where you are.
- Provide a guiding device such as a ruler or card for signing forms.
- Have a pen and pencil available.
- Be sensitive about physical contact. Some people with disabilities depend on their arms for balance. Grabbing them—even if your intention is to assist—could knock them off balance. Avoid touching wheelchairs, scooters, or canes. People with disabilities consider their equipment part of their personal space

Appendix I: The Election Process

The process that creates a Primary in September and then a General Election in November can actually begin as early as March. This is a brief description of how elections occur.

Sometime between March and June, local, county and state parties will hold **nominating meetings** (or conventions) to select or **designate** candidates. Designated candidates are then placed on **Designating Petitions** (state candidates achieve ballot status directly through the convention process). In order for a candidate to achieve ballot status, they must collect a set number of signatures depending on the office sought. Usually, Designating Petitions are passed in the first week of June and are filed at the Board of Elections in the second week of July. For any office, if more candidates are designated than the number of positions available (e.g. four council seats available, but five candidates are designated) a **Primary** must be held.

Just after Designating Petitions are filed, **Independent Petitions** may be passed. These are petitions that name some other party and, like Designating Petitions, require a set number of signatures for a candidate to achieve ballot status, depending on the office. Independent Petitions are filed in early August. Candidates that qualify from filing an Independent Petition will appear on the **General Election** ballot.

Primary Elections are elections within parties that determine which candidates will represent their party in the **General Election**.

Only voters registered within a party experiencing a **Primary** may vote in that Primary.

Any registered voter may vote in a **General Election**.

Absentee Ballots are available to any registered voter if they are out of the County, in County but ill, or have a disability that prevents them from participating in a Primary, General, Presidential Primary or Special Election day.

Appendix II: Inspector Pay

Hours of Work

- ★ General Election (6:00am-9:00pm): 16 hours (5:30am-9:30pm)
- ★ Primary Election (Noon-9:00pm): 10 hours (11:30am-9:30pm)

Partial Hours

The Board of Elections does not endorse inspectors working partial days. Please call your coordinator, or inform them when you are scheduled, if you are unable to work the entire day. Your pay will only be for the actual hours worked.

How are inspectors paid?

Inspectors are paid for their election day service by the county in which they serve, in an amount fixed by the county legislative body. In Monroe County, the County Legislature has set inspector pay at **\$10.00 per hour**. **Inspectors are paid for attending required training schools only if they work either the Primary or General Elections.** The Board of Elections does NOT directly pay inspectors. The Board can confirm if any inspector worked, but questions about pay should be directed to the City or Town Clerks. Checks generally are sent within 4-6 weeks after the election. The phone numbers for the Clerks are:

Vouchers

Town Pay Vouchers – Each Town has their own voucher format and their own method of distributing and collecting vouchers. In many towns, inspectors are asked to return their vouchers in the orange dot bag at closing time. If inspectors have questions about receiving or returning vouchers, they should speak to their coordinators.

City Vouchers – It is critical that City Inspectors COMPLETELY fill out the City Pay Voucher. Any areas on the form left blank will result in your pay being delayed. You will find your vouchers in the bag that is brought in the morning. Please fill them out in the morning. The vouchers should be returned in one of the bags placed in the machine at closing.

FREQUENTLY ASKED QUESTIONS

ELECTION PROCEDURES

What is the procedure for B Machines?

Sometimes, if a large number of voters are anticipated to vote in a district, that district will receive two machines. They are termed “A” and “B” machines. Open and check both machines when you arrive at the polling site. Voters may vote on either the A machine or the B machine. In the poll book you must indicate which machine the voter used. You will have one poll book. Example: the first voter on the A machine is 1A. The second voter on the B machine is 2B. It is important that you keep accurate records on which machine the voter used. At the close of the polls you will need to canvas both the A machine and the B machine. Read the numbers off the back of the voting machine, and record them on the canvas sheets. The A machine total and the B machine total is added together on the canvas sheet. Follow normal closing procedures for the machines, but place all of the non-orange dotted supplies in the B Machine only.

Why are there two keys on the key ring?

The #2 key is for turning the machine on and off. On many machines, inspectors can tell the machine is turned on when the red mark above the lock is lined up with the red mark on the lock. The #3 key opens the front and back of the machine. Remember: the small latch must be horizontal in order to remove the #3 key from the lock.

Can any inspector, other than the Chairperson, sign important documents?

Any inspector may sign affidavit ballots or emergency ballots. All inspectors must sign the Affidavit/Emergency Return Envelope, the Certificate of Service, the Key Return Envelope, the Paper Roll Return Envelope, and the Canvass Report. **The Chairperson MUST sign city pay vouchers.**

Does an ID need to be current for it to be accepted?

Yes. The ID should be no more than a few years old. Identification applies only new voters who have not submitted ID by mail. The ID must contain the voter’s name and address or name and photo.

What happens in a Primary if a voter says they are one party but does not appear in that voter book?

In a Primary Election, each party experiencing a Primary will have their own, colored-coded, book. If a voter is not in one book, check the others. If the voter does not appear in any book, present them with a affidavit ballot, allow them to vote by affidavit ballot, and the Board of Elections will do further research.

INSPECTOR ISSUES

How do I know what table (Election District) I should be at?

Your coordinator will tell you what district you are assigned to. Inspectors must sit at the table they have been assigned by their coordinator unless they receive permission to change from the Board of Elections. Inspectors should always make sure that they are signing paperwork like the Certificate of Service, Pay Vouchers and the Canvass Report, from the district they are assigned to.

How should we handle reporters or news-crews that appear at the polling site?

Always be considerate toward the press. Call the Board to inform the Commissioners if the press appears at your site. Reporters may ask inspectors or voters questions outside the 100’ distance marker. They may not accompany voters into the voting machine or go behind the voting machine to examine the dials. They may not disrupt proceedings.

FREQUENTLY ASKED QUESTIONS

When we call the Board on Election Day, who will we be speaking to?

The phone numbers on the flip chart go to the Election Inspector Coordinators, the Deputy Commissioners and the Commissioners. Inspectors must follow their instructions.

What should we do if our Spanish Interpreter does not show up?

Please call the Board of Elections, 753-1550, AFTER you open, and inform us that your Spanish interpreter has not arrived. We will make every effort to find you a substitute.

How do inspectors identify a Spanish Interpreter? A Board employee?

The supplies in each designated Hispanic District will contain an envelope for Spanish Interpreters, including a nametag. This is the best way to identify if your ED should have an interpreter. As you open, interpreters should introduce themselves and then be allowed to join the team of inspectors at the table. Board employees should have a Monroe County ID displayed.

How can we improve the lighting, heat or set-up of our Polling site?

The best way is to find the custodian or janitor at your polling site. Because of the number of Polling sites, it is difficult for the Board of Elections to make immediate changes on Election Day. Town inspectors may also want to speak with their Town Clerks since it is the Clerks that reserve the polling sites and have contact numbers.

What can we do if our handicap crank is accidentally locked in the back of the machine?

Call the Board of Elections (753-1501) to see if we can provide you with another crank. If not, ask to use the crank of another handicap accessible machine at your polling site.

Can the Board of Elections provide transportation for inspectors to and from the polling site?

No. In fact, coordinators are NOT permitted to drive inspectors to and from the polling site, either. Inspectors must provide their own transportation.

How do inspectors vote if they are scheduled in a different polling site from where they vote?

Inspectors must be permitted time to go and vote if they are scheduled in a different polling site than they vote in. The inspector must inform the chairperson about how long they will be. The time to vote in addition to the time allotted for meals, but may be combined. Inspectors may also vote by absentee ballot in person at the Board of Elections (39 W Main Street) beginning two weeks before the election.
